## Club Meeting ~ August 12, 2003

The shows have grown so much, organized parking is a must! We need to put a show committee person in charge of directing vehicles. Cars need to park up behind the bleachers and not with the horse trailers. The last pleasure show was packed! We also need a show committee member to police the warm-up area. There are too many spectators and children playing in an area designated for horses. It's great to have such problems! As a club, Lincoln Trail Riders is just doing better and better each year! Let's all work together to keep it fun and safe for all those who participate!

Fund-raisers were discussed. The arena will need sand, the club needs walkie-talkies, and an electronic timer to replace the old timer was discussed. Jerry Rock has some pocketknives he would like to sell to adults and Club shirts were discussed. If anyone has an idea for a club logo, please either submit it to John Kilgallon through the website: [www.lincolntrailriders.com](http://www.lincolntrailriders.com) or contact Dianne Doll (618) 644-3655 or Terri Rock (618) 632-8060.

SERIOUS CONCERNS WILL BE DISCUSSED AT THE SEPTEMBER 9<sup>TH</sup> MEETING. Terri & Jerry Rock attended a meeting regarding development of Scott-Troy Road. The future development discussed could include our arena! Please plan to attend the meeting to find out what we can do about this! The future of the arena depends on what we do here and now! One person CAN make a difference; especially when there are a few of us!
